Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Scholastic US, United States, 2012. Paperback. Book Condition: New. Original. 224 x 147 mm. Language: English . Brand New Book. Learn all about animals and what they do during the winter! During the cold winter months, some animals go into a deep sleep called hibernation. You d be surprised to learn about all of the other animals that hibernate besides bears, like squirrels, woodchucks, chipmunks and bats. Children will learn how an animal prepares for hibernation by stuffing itself with food so that it can survive in its dormant months and how animals prepare safe spots, like dens and burrows, so that they will be protected from predators as they sleep.
