University of Georgia Press, United States, 2008. Paperback. Book Condition: New. Da Capo Press a.. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.This debut collection of vivid, lyrical poems explores the emotional landscape of childhood without confession and without straightforward narrative. Chang sweeps together myth and fairy tale, skirting the edges of events to focus on the psychological tenor of experience: the underpinnings of identity and the role of nature in both constructing and erasing a self. From the edge of the ocean, where things constantly shift and dissolve, through the forest's thick, / where the trees meet the dark, to an imaginary cliffside town of fog, this book makes a journey both natural and psychological, using experiments in language and form to capture the search for personhood and place.
