

Ace Your Midterms and Finals: Introduction to General Biology (Paperback)

By Alan Axelrod

McGraw-Hill Education - Europe, United States, 1999. Paperback. Book Condition: New. 229 x 183 mm. Language: English . Brand New Book ***** Print on Demand *****.Each year, millions of college, university and advanced placement students face exam time with anxiety because they aren't prepared. This title has course-specific midterms and finals written by professors complete with detailed explanations of answers and test-taking strategies. It lets the students take the test before taking the test. There are midterms and final examinations from each of the top universities throughout the country and an introductor essay is included defining the nature and scope of the course, including its goals and what instructors expect students to learn. There is, in addition, a step-by-step guide to writing essays and there are also fully explained answers to essay questions, complete with discussion and notes.
