MICROECONOMICS IN CONTEXT 2014 (PAPERBACK)

[DOWNLOAD](#)

Taylor Francis Inc, United States, 2013. Paperback. Book Condition: New. 3rd Revised edition. 251 x 203 mm. Language: English . Brand New Book. Microeconomics in Context lays out the principles of microeconomics in a manner that is thorough, up to date, and relevant to students. Like its counterpart, Macroeconomics in Context, the book is uniquely attuned to economic realities. The in Context books offer affordability, accessible presentation, and engaging coverage of current policy issues from economic inequality and global climate change to taxes. Key features include: --Clear explanation of basic concepts and analytical tools, with advanced models presented in optional chapter appendices; --Presentation of policy issues in historical, institutional, social, political, and ethical context--an approach that fosters critical evaluation of the standard microeconomic models, such as welfare analysis, labor markets, and market competition; --A powerful graphical presentation of various measures of well-being in the United States, from income inequality and educational attainment to home prices; --Broad definition of well-being using both traditional economic metrics and factors such as environmental quality, health, equity, and political inclusion; --New chapters on the economics of the environment, taxes and tax policy, common property and public goods, and welfare analysis; --Expanded coverage of high-interest topics such as behavioral economics, labor markets, and healthcare; --Full complement of instructor and student support materials online, including test banks and grading through Canvas.
