John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Bible as Politics: The Rape of Dinah and Other Stories, Andrew Parker, If you suspect the Biblical writers were onto something, but aren't convinced by the sentimental religion-of-love talk you hear so much nowadays, then maybe you will find hope reading this book. Did you know that the Creation Myths in the Bible were copied from earlier Mesopotamian myths? Or that the Moses story was based on a bloke called Sargon? Or that the story of Job is all to do with politics? Or that the two loaves, five fishes and the number 153 have symbolic meanings? These are just a few of the issues addressed in this controversial book which is not for people who like their God as Indefinable Mystery.
