It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

John Wiley & Sons Inc. Hardback. Book Condition: new. BRAND NEW, Beyond Wealth: The Road Map to a Rich Life, Alexander L. Green, It's not all about the money; the key to true riches Leo Tolstoy said, "Nobody knows where the human race is going. The highest wisdom, then, is to know where you are going." Yet many today chase the false rabbits of success: status, luxury, reputation and material possessions. In the quest to "have it all," our lives often lack real meaning and purpose. Beyond Wealth is the antidote. New York Times bestselling author Alexander Green takes things right down to brass tacks: We are here for a short time. Knowledge is limitless. Therefore, the most critical knowledge is not any particular skill but rather wisdom about "how to live." Fortunately, men and women have had several thousand years to think about what it means to live "the good life." And the answers found here, from Plato and Aristotle to Mahatma Gandhi and Stephen Hawking, will both surprise and delight you. Beyond Wealth provides insightful commentary on the most important aspects of our lives: love, work, honor, trust, freedom, death, fear, truth, beauty and other timeless issues. The book is both a thought provoking read and the ideal gift, guaranteed to ennoble, uplift and inspire.
