Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

LAP Lambert Academic Publishing Aug 2014, 2014. Taschenbuch. Book Condition: Neu. 220x150x3 mm. This item is printed on demand - Print on Demand Neuware - Official Development Assistance, simply known as foreign aid, is the transfer of resources from the public sector of advanced economies in the form of grants and concessional loans to the developing world. Economic growth of the recipients is considered to be the prime objective of foreign aid. However, the literature has not reached a consensual outcome regarding the achievement of this objective, primarily because of the lack of a standard economic model to explain the scenario thoroughly. This research concentrates on the aid-growth nexus under various macroeconomic policies. This may prove helpful to the students interested in development economics. 52 pp. Englisch.
