Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Concepts and Theories of Modern Physics It is my conviction that this belief is but partially conformable to the fact, and that the prevailing misconceptions in regard to the true logical and psychological premisses of science are prolific of errors, whose reaction upon the character and tendencies of modern thought becomes more apparent from day to day. The shallow and sciolistic materialism - I allude, of course, not to its supposed ethical but to its purely intellectual aspects - which for a time threatened to blight the soil and poison the atmosphere even of the old highlands of thought on the continent of Europe, claims to be a presentation of conclusions from the facts and principles established in the several departments of physical science. It is part of my endeavor to meet this claim by an examination of the fundamental concepts and general theories of that department of physical science which is, in a sense, the basis and support of all its other departments - the department of physics. It will be seen at...
