Oxford South Press, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.From award-winning author and two-time GOLDEN HEART(r) finalist Amy Patrick comes a New Adult contemporary series about twenty-somethings entering the world of TV broadcasting, where what happens behind the scenes is the real news. 22-year-old Heidi Haynes is almost one year into her real life. She has her first reporting job, her first apartment, and a comfortable relationship with her college sweetheart. But for some reason she s not as eager to talk about walking down the aisle as he is. Heidi secretly longs for big cities, big-market breaking news, and real independence from her way-too-close-by helicopter parents. Problem is, the last time she left the security of home for new places and new people, things didn t go so well. Disastrously, in fact, and she came running back to a local college and a safe boyfriend. Aric Serrano is definitely not safe. He s six-feet-four-inches of missing-Hemsworth-brother-hotness and plans to stay in small-market-Southern-Hell just long enough to grab a cup of coffee and put together a kick-ass escape tape. He ll serve his one-year contract, then he s taking off for a higher rung on the TV sports ladder-alone-the way he likes it. Then he meets his new co-anchor. Heidi would be so much more comfortable if she could simply ignore Aric. He s just her type-the type she s so careful to avoid these days. But that becomes impossible when she s forced to work closely with him on the weekend newscast. Now the attraction between them is growing even faster than the ratings, and what happens behind the scenes is the real news.
