Before India: Exploring Your Ancestry with DNA (Paperback)

By David G Mahal

Dgm Associates, United States, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It's natural to want to know where you come from. But the answer to that question goes beyond your parents or grandparents. With the aid of today's science and technology, as well as the wealth of historical and anthropological information available, discovering your roots can become a profound journey into the distant past. After seeing the ancestry results of his DNA analysis, author David Mahal was drawn to research further into his Indian subcontinent roots. What he discovered was a rich history of people from diverse cultures, languages, and religions that, for all their differences, are still genetically linked. Mirroring his multifaceted subject matter, Before India is a fascinating, well-researched amalgamation of genres-part genealogical guide, part ethnic history, part science expose-that draws a more holistic picture of ancestry by combining these varied insights. Exploring topics such as the origin of our planet and human evolution, as well as how DNA analysis is used to trace deep ancestry, this distinctive guide provides both a robust explanation of genealogy and penetrating insight into India's colorful tapestry...
