This book begins with an expose of Grover Cleveland who was known for being an honest politician during his presidency in the 1880 s. Although he was generally an honest president as well, there happened to be an incident during which he disappeared aboard a friend s yacht for four days and lied about the reason for his absence. Moving on to the next story, we learn about Edwin Howard Armstrong, also known as The Major, who is just about to jump from the 13th floor of a New York City apartment block at the end of January 1954. He had left a note that calculated the odds of his body being smashed upon impact with the ground below. He took...
