Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

KILLING THE BISMARCK: DESTROYING THE PRIDE OF HITLER'S FLEET

Pen & Sword Books Ltd. Paperback. Book Condition: new. BRAND NEW, Killing the Bismarck: Destroying the Pride of Hitler's Fleet, Iain Ballantyne, In May 1941, the German battleship Bismarck, accompanied by heavy cruiser Prinz Eugen, broke out into the Atlantic, to attack Allied shipping. The Royal Navy's pursuit and subsequent destruction of Bismarck was an epic of naval warfare. In this new account of those dramatic events at the height of the Second World War, Iain Ballantyne draws extensively on the graphic eye-witness testimony of veterans, to construct a thrilling story, mainly from the point of view of the British battleships, cruisers and destroyers involved. He describes the tense atmosphere as cruisers play a lethal cat and mouse game as they shadow Bismarck in the icy Denmark Strait. We witness the shocking destruction of the British battlecruiser Hood, in which all but three of her ship's complement were killed; an event that filled pursuing Royal Navy warships, including the battered battleship Prince of Wales, with a thirst for revenge. While Swordfish torpedo-bombers try desperately to cripple the Bismarck, we sail in destroyers on their own daring torpedo attacks, battling mountainous seas. Finally, the author takes us into the final showdown, as battleships Rodney and King George V, supported by cruisers Norfolk and Dorsetshire, destroy the pride of Hitler's fleet. This vivid, superbly researched account portrays this epic saga through the eyes of so-called 'ordinary sailors' caught up in extraordinary events. Killing the Bismarck is an outstanding read, conveying the horror and majesty of war at sea in all its cold brutality and awesome power.
