

## Tattoo: Symbol and Meanings (Hardback)

By Jack Watkins

Chartwell Books, United States, 2016. Hardback. Book Condition: New. 264 x 196 mm. Language: English . Brand New Book. Feed your tattoo obsession with a pain free dose of body art inspiration with this intriguing and comprehensive collection! You love tattoos, they are artistic, rebellious, individual, tribal - and fantastically creative. And any one with body art knows that once you've got the ink bug, there's no going back! This enticing book explores more than 80 classic tattoo designs, providing inspiration for anyone thinking of getting a tattoo and revealing the deep meaning, origin, and often quirky history behind each one. Skin art has existed throughout the ages, and tattoos remain a popular form of self-expression today. This illustrated book showcases tattoo art that has a connection to culture and the past. One of the oldest tattoos in this book is that of an abstract design found on the mummified body of an Egyptian priestess of the XI Dynasty. You will also find within; the tiki-a tattoo based on the Maori's carvings in New Zealand, a Native American turtle, Japanese cherry blossoms, an Irish shamrock, and many more beautiful and unique tattoos. Whether you're a decorated...
