Admiral House Publishing, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The President of the United States gives a small speech near the end of Walking K that defines the boundaries of this emotionally heart-breaking story: I hate to say it so bluntly, but those men are expendable. Crosscutting between dramatic battlefield scenes, heartbreaking torture, American businesses protecting their investments, and a continuing refusal by the White House to reveal the shameful truth, the emotional ending of this political thriller sadly shows why the United States Government stopped wanting the lost...
