Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book explores, through the biography of a common citizen, the need for equitable distribution of resources irrespective of the sex, marital status and the birthplace of a citizen of the world. The events lead to the vision of One World - a revolution to make the world available to all citizens from any part of the world via non-violent and intelligent disobedience of visa restrictions for moving across boundaries. The storyline also suggests legalising infidelity by removing all privileges a married person enjoys and a single person doesn't. The government of the world needs to explore ways to take suitable and appropriate care of the next generation, resulting from legalised infidelity or marriage-governed love and fidelity by rewarding the carers of the children; Child Care Levy could be used for funding the care of the future citizens. Here you would get stories of a few common citizens; none of them did any exemplary work to make this world a bit different, none made any great sacrifice for the people they loved, nor did anyone kill and rob others to amass wealth. They all lived by the rules and regulations of the world. In some world, they could not live if not loved by at least a few; life had no meaning without love. In another world, love was not a necessity, life had lots to offer even when you could not win the scarce love. People are made to be loved and things are made to be used; but more often things are loved and people are used. One motivation for writing this novel is telling my stories, which my near relatives were...
