Excerpt: .which are raised in the greenhouses in this vicinity. Gicat quantities of the Bermuda lilies are shipped in here for the trade at this time. They are grown out of doors and are cut and packed for shipment while they are still in the bud. When they arrive in New York, in quantities of hundreds of thousands, they are shipped out to Western and Southern cities. They find little market here, for the color of the flower is rather yellow, while those which are cultivated undcr glass in this vicinity are pure white and very fragrant. All other flowers for the Easter time are forced under glass and are made accustomed to the cold air gradually by ventilation. Most of the product sold in New York City is grown within a radius of fifty miles. A remarkable thing is the increase in the trafic...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
