Reviews

Very beneficial to any or all group of folks. I was able to comprehend everything using this composed e book. I am pleased to inform you that here is the finest publication i have study inside my individual daily life and might be he very best pdf for actually.

(Brielle Hilpert)

EDUCATIONAL PRAXIS IN DEVELOPMENT EDUCATION

LAP Lambert Academic Publishing Jul 2012, 2012. Taschenbuch. Book Condition: Neu. 220x150x10 mm. This item is printed on demand - Print on Demand Neuware - The study intends to create a model for development education based on quality standards and hermeneutics of education. In order to generate such model, the book aims to engage in a discourse on extramural measures towards a criteriology of quality standards in higher education and to employ a discourse on hermeneutics of education towards a criteriology of educational praxis. The book argues that there is a need to have an (alternative) model for development education, a holistic conception of education that is not confined in instruction, classroom, and educational system. Such model encompasses the impact of development education to community, democracy, and citizenship in the framework of educational praxis. 172 pp. Englisch.
