Pearson Education, 2015. Softcover. Book Condition: New. I work in digital media publishing, yet I've struggled, like most of the business world, to understand how to make social media work for me. Sarah-Jayne and Dean tackled the challenge with an energy that has to be seen to be believed. These two are now my #1 source of information and have provided simple and effective strategies that have helped me to monetize social media. ? I can't recommend it enough." ?2morrowKnight, Huffington Post "Zero to 100,000: Social Media Tips and Tricks for Small Businesses makes it so easy to understand the way to successfully take your business into the `real world` of social media! Brilliantly done!" ?Debra Cincioni, @MomsofAmerica on Twitter "From building a bigger presence for yourself or your business, this book gets you in on the ground floor, lays the foundation, and helps you get a jump start on becoming a social media success. And the advice is real, not just from Sarah-Jayne and Dean, who are awesome, but from several other success stories they explain in the book. In a word, this book is useful." ?Jason Falls, CEO of Social Media Explorer and author of No Bullshit Social Media: The All-Business, No-Hype Guide to Social Media Marketing "Leveraging social media is vital for businesses of all sizes, but it is a quirky and nuanced world where getting it wrong can have disastrous consequences. @GrattonGirl is one of the people I see in the social space who really understands the art of communicating with her audience.
