Brand New Book ***** Print on Demand *****.A false gospel is not to be judged so when its errors reach a certain point, but in the fact that it contains any error at all! Doctrinal error is indicative of a false gospel. One of the clearest examples of how little it takes to besmirch God's Gospel and change it into a lie is shown by Paul in his letter to the Galatians. Behold, I Paul say unto you, that if ye be circumcised, CHRIST SHALL PROFIT YOU NOTHING (Gal. 5:2). If a person turns to, and relies upon, anything they have done in order to get saved and/or remain saved then Christ shall profit them nothing. Christ cannot be called on as Savior by these people for they do not fully trust in Him. Those who claim that whatever it is they must do is only possible because of God's bestowing the grace which enables them to do it, are abiders in a false gospel, a gospel which is not about grace but may be rightly termed a gospel of DIS-GRACE!!.
