

Inspirations: Ribbonwork (Paperback)

By Lisa Brown

Anness Publishing, United Kingdom, 2000. Paperback. Book Condition: New. 236 x 202 mm. Language: English . Brand New Book. Ribbon has been used throughout history for decoration, and its versatility and ability to transform items in an instant make it an irresistible material for interior designers at all levels. Ribbonwork presents more than 20 practical project ideas, and brings together both traditional techniques and quick short-cuts with exciting results. Today's choice of ribbon textures, colours and styles mean that an astonishing array of effects can be achieved, and by mastering a few simple techniques you will be able to turn the everyday into something truly special. Designed to suit all levels of experience, the projects range from beautiful bows for wrapped gifts to weaving and applique treatments for furnishings and fabrics. Other projects include simple edgings for pillowcases, throws, shelf trims and stationery; Christmas tree decorations; and an embroidered trinket bag. The stunning ideas, presented in over 270 beautiful step-by-step photographs, are guaranteed to delight and inspire. With clear instructions to take you through the projects, and a useful techniques section to help you master the skills involved, Ribbonwork will allow you to create fabulous embellishments for your home...
