North Atlantic Books, U.S., United States, 2009. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Throughout history Taoists, Christians, the yogis of northern India, and others have learned that the secret of longevity and even bodily rejuvenation lies in unlocking the body's own healing somas (or higher chemistry). Traditionally, however, the principles and techniques behind their discoveries have been hidden, transmitted only from teacher to student. Case studies and clear explanations make the practices easier and more engaging. Druda has worked professionally with medicinal herbs for many years, and he skillfully incorporates them in the process of bodily renewal. The Tao of Rejuvenation is a timely and authoritative guide that will be of great interest to complementary and alternative medicine professionals, those in need of radical healing and...
