Mimesis International. Paperback. Book Condition: new. BRAND NEW, Painting: The Infinite Body, Francesco Correggia, Pietro Finelli, The book arises to investigate the prospect of painting in the current context, choosing a philosophical approach careful to delineate mechanisms and capabilities in relation to the history of painting, to its actuality and difference, also in relation to other media, trying to catch those aspects related to its continuous questioning, as dialectic body in continuous evolution/repetition. This book is the first in Italy that serves non as an historical path, but as a survey of the contemporaneity of painting. Main figures of the international scene have joined this project: come Luc Tuymans, Thierry De Cordier, Neo Rauch, Jonathan Meese, Marc Desgrandchamps, Norbert Witzgall, and for Italy, in attition to the two book curators, Barbara Nahmad, Marco Pellizzola, Flavio de Marco.
